

A hand between neighbors. **Free. Actually free.**

Ask for a hand, lend a drill, have a parcel or a plant minded: a map of your street. Neighbors raise a hand; you pick.

✓ **Your privacy first.**

No real name, no phone number, no ads; your address is never shown.

✓ **Free, always.**

Helping costs nothing: no subscription, no credits, nothing to cancel.

✓ **Quiet by design.**

No emails. Notifications only if you ask for them, with quiet hours.

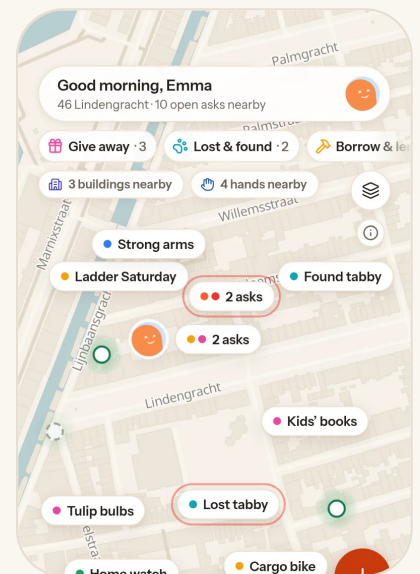

✓ **2 minutes to start.**

A nickname, your street, that's it. Works in the browser, no app store.

app.kylala.com

Scan, pick a nickname, post your first ask.

Pin this in the hallway, so the whole building finds its way in.

Kylala speaks English, French, German, Spanish and Italian. · Made for streets, not screens.
